

XPRO®3TNLPRC6

Impact and Cut Resistant Welding Gloves

PRODUCT DESCRIPTION

The XPRO®3TNLPRC6 Impact and Cut Resistant Welding Gloves are engineered for maximum safety, durability, and comfort in high-risk industrial environments. Designed with advanced TPR impact protection, cut-resistant leather, and a high-visibility leather cuff, these gloves provide exceptional hand and wrist protection against impacts, cuts, heat, and abrasions. Ideal for welding, fabrication, construction, oil & gas, and heavy equipment handling applications.

TECHNICAL SPECIFICATIONS

SPECIFICATION	DETAILS
Model	XPRO®3TNLPRC6
Type	Impact and Cut Resistant Welding Gloves
Palm Material	Premium Grain Leather
Back of Hand	TPR Impact Protection
Lining	Kevlar® / Cut Resistant Lining (Optional)
Cuff	High-Visibility Leather Cuff
Stitching	Kevlar Reinforced Stitching
Color	Grey, Black, Hi-Vis Green, Orange
Sizes Available	8 (M) – 11 (XXL)
Length	14 Inch (35.5 cm)
Packaging	1 Pair / Polybag, 60 Pairs / Carton

FEATURES

- Heavy Duty TIG Welding Protection
- Kevlar Reinforced Strength
- Certified Multi-Level Protection
- High-Visibility Leather Cuff
- Enhanced Visibility & Wrist Protection

APPLICATIONS

- Welding & Fabrication | Construction
- Oil & Gas Industry | Heavy Equipment Handling
- Steel Plants | Machinery Operations

OPTIONAL ENHANCEMENT

- Kevlar Lining | Reinforced Stitching
- High Visibility Reflector | Enhanced Grip
- Heat Resistant Leather Cuff
