PRODUCT DESCRIPTION

Fieldway® FWT-1002 Impact Protuff Plus Glove is designed for high-performance protection in demanding environments. Built with advanced impact resistance technology, cut-resistant liner and durable coatings, this glove ensures safety, comfort and excellent grip in oily and abrasive conditions.

FEATURES

SpecxArmor® SPX-1002 provides the certified impact resistance on top of the hand and the full length of the fingers

The cut resistance HPPE liner keeps the hands cool during the operations

Enhanced patch protection on the palm reduces the hand fatigue and injury

Double dip nitrile coating with sandy finish provides protection from oily and liquid surfaces and additional abrasion by increasing control while easing the force required to safely handle items

Additional thumb crotch for the highest level of tear protection

Hi visible color to increase the safety standards

OPTIONAL ENHANCEMENT
