**IMPACT
PROTECTION**

**ENHANCED
DEXTERITY**

PRODUCT DESCRIPTION

Fieldway® FWT-1017 Scaffolding Impact Glove is engineered for demanding scaffolding and construction environments. Designed with TPR impact protection on the back of hand and full-length fingers, this driver style glove ensures maximum safety and comfort. Made from excellent grain leather and sewn with strong, heat-resistant Kevlar® thread for superior durability and dexterity. The hi-visible TPR enhances hand visibility for improved workplace safety. Available with higher cut levels (up to A9), winter, touch screen and waterproof options.
