**KEVLAR®
STITCHING**

**HIGH
VISIBILITY**

PRODUCT DESCRIPTION

Fieldway® FWT-1019 Cotton Palm Impact Glove is engineered to provide superior hand protection for demanding industrial applications. Designed with TPR impact protection across the back of the hand and full-length fingers, this glove offers excellent defense against impact injuries while maintaining flexibility and comfort. The premium cotton palm delivers outstanding grip and dexterity, making it ideal for heavy-duty tasks in oil & gas, mining, construction, and manufacturing industries. The extended neoprene wrist closure ensures a secure fit, while the high-visibility color improves worker safety in low-light environments.

KEY FEATURES

TPR impact protection on top of hand and full length of fingers

Best grade of cotton material on full palm gives the best dexterity

Extended neoprene wrist closure

Hi visible color to increase the safety standards

Industrial grade construction for demanding applications
