PRODUCT DESCRIPTION

Fieldway® FWT-1020 Fender Grip is engineered to deliver superior hand protection for demanding industrial environments. Designed with advanced TPR impact protection, a high-performance coated Kevlar® palm, and Kevlar® fiber lining, this glove provides exceptional grip, cut resistance, durability, and all-day comfort. The extended neoprene cuff with hook-and-loop pull tab ensures a secure fit, making it ideal for heavy-duty industrial applications.

KEY FEATURES

TPR impact protection on top of hand and full length of fingers

High performance coated Kevlar® provides unbeatable grip and abrasive properties

Sewn with strong, heat-resistant Kevlar® thread

Lined with Kevlar® fiber for the excellent cut protection

Secure cuff with hook and loop TPR pull tab closure

High visible color to increase the safety standards

APPLICATIONS

- Rigs
- Oil & Gas
- Refinery
- Manufacturing
- Mining
- Machinery and Equipment
- Infrastructure Maintenance

OPTIONAL ENHANCEMENT

Cut Levels
A2 – A9

Impact
3 TPR
