PRODUCT DESCRIPTION

Fieldway® FWT-4000 Driver Type Working Glove is crafted from premium goat skin leather to deliver excellent comfort, flexibility and control for general handling work. Its driver-style construction slips on easily, while the elastic back helps improve wrist adjustment and fit. Designed for regular industrial tasks, the glove offers a soft grip and dexterity, and an optional Kevlar lining is available to enhance cut resistance up to A9.

FEATURES

- Premium goat skin leather provides the best comfort and dexterity
- Driver style slips on easily and has elastic backs for wrist adjustment
- Best for general handling and regular jobs
- The Kevlar lining is available as an option to enhance cut resistance up to A9

APPLICATIONS

General Handling

Regular Jobs

Warehouse Work

Maintenance

STANDARDS & COMPLIANCE

EN 388
