

FWT-4001

YELLOW CANADIAN WORKING GLOVE

TOUGH. RELIABLE. BUILT TO PERFORM.

HIGH PERFORMANCE INDUSTRIAL WORK GLOVE

Contact Us: inquiry@fieldway.net

PRODUCT DESCRIPTION

Fieldway® FWT-4001 Yellow Canadian Working Glove combines high quality split leather with reinforced protection for demanding industrial use. The reinforced palm improves resistance to tearing and abrasion, while the protected index finger and thumb provide extra durability during work with screwdrivers, hand tools and similar equipment. Its high-visibility yellow construction improves visibility on busy work sites, and customized color options are available.

FEATURES

- Made of high quality split leather
- Reinforced palm provides additional safety and resistance against tearing and abrasion
- Reinforced index finger and thumb provide extra protection during screwdriver and hand-tool work
- High-visibility yellow design supports safer recognition in industrial areas
- **Available in customized colors: blue and yellow**

APPLICATIONS

- RG** Rigs
- OG** Oil and Gas Industry
- RF** Refinery
- PP** Production and Processing Services

STANDARDS & COMPLIANCE

EN 388:2016

EN 407:2004

EN 420:2003
