

FWT-4005

CANADIAN REINFORCED WORKING GLOVE

TOUGH. RELIABLE. BUILT TO PERFORM.

HIGH PERFORMANCE GENERAL PURPOSE GLOVE

Contact Us : inquiry@fieldway.net

PRODUCT DESCRIPTION

Fieldway® FWT-4005 Canadian Reinforced Working Gloves are crafted from high quality split leather and durable canvas to deliver outstanding performance in demanding work environments.

The reinforced palm provides extra protection against tears and abrasion, while the reinforced index finger and thumb add durability in high-wear areas.

Designed for comfort, safety and long-lasting use, these gloves are the ideal choice for heavy duty applications.

FEATURES

REINFORCED PALM

Extra layer of split leather in the palm for superior protection against tear and abrasion.

HIGH VISIBILITY

Bright color combination for enhanced visibility and workplace safety.

ABRASIVE PALM

Rough leather palm provides excellent grip in dry and wet conditions.

DURABLE CONSTRUCTION

High quality split leather and strong stitching ensure long lasting performance.

COMFORT & FLEXIBILITY

Ergonomic design and breathable material for all day comfort.
