PRODUCT DESCRIPTION

FWT-7016 Fieldway® Leather Welding Long Coat is designed for maximum protection, comfort and durability in welding and high heat environments. The FR cotton front and back provide excellent flame resistance while split cowhide leather sleeves protect against sparks, spatter and abrasion. Built with Kevlar stitching and secure closure for long lasting performance.

FEATURES

1. Lightweight FR Protection:

Cool, comfortable flame-retardant cotton construction for welding environments.

2. Enhanced Durability:

Split cowhide leather sleeves protect high-abrasion and high-burn areas.

3. Strong Construction:

Kevlar stitching reinforces all seams for added durability.

4. Secure Closure:

Snap closure with a spatter guard and hook-and-loop fastening.

5. Product Details:

Item GWPBJ01, sizes S-8XL, available in Black, Golden, Brown, Blue, and custom colors.

**SPLIT COWHIDE
LEATHER SLEEVES**

**SNAP CLOSURE WITH
SPATTER GUARD**

**KEVLAR STITCHING
FOR EXTRA DURABILITY**
