FIELDWAY TECHNOLOGIES

PRODUCT DATA SHEET

FWT-2014 | GRAYWOLF® WELDING SLEEVES

HEAT PROTECTION | FLAME RESISTANT | KEVLAR STITCHING | HOOK & LOOP | ARM COVERAGE

Contact Us : enquiry@fieldway.net

FEATURES

- Premium golden leather for heat & flame protection
- Protects arms from sparks and welding hazards
- Full Kevlar® stitching for enhanced durability
- Hook & loop closure for easy and secure fitting
- Ideal for welding and high-temperature applications

APPLICATIONS

WELDING | METAL WORK | HIGH-TEMP TASKS

PRODUCT DETAILS

Material	:	Golden Leather
Design	:	Protective Welding Sleeves
Stitching	:	Full Kevlar® Stitching
Closure	:	Hook & Loop
Protection	:	Heat / Flame / Sparks

KEY PROTECTION HIGHLIGHTS

HEAT PROTECTION
Premium leather for effective heat resistance

FLAME RESISTANT
Protects arms from flames and sparks

KEVLAR STITCHING
Full Kevlar® stitching for enhanced durability

HOOK & LOOP
Easy and secure fitting

ARM COVERAGE
Ideal for welding and high-temperature applications
